WE TAKE CARE OF YOU!

In our apartments:

- **Also a our house for check-in (unique) it's needable 3 G – tested, recovered Covid or vaccinated for persons over 12 years**

- We are **SAFE SERVICE®** certified until April 30th, 2022

Tyrolean tourism relies on certified security - and we are there: We take our role as a responsible host and use the "SAFE SERVICE" learning app as a modern training tool for our employees. Our company has successfully completed the digital training on security topics such as protective measures, distance rules, hygiene or contactless customer experience. New regulations, such as admission tests, guest registration and prevention concepts, are also part of the training. The app provides information about major changes directly via push notifications on the mobile phone
